M. S. Ramaiah Institute of Technology
(Autonomous Institute, Affiliated to VTU)

>> M. S. Ramaiah Institute of Technology was started in 1962 by Late Dr. M. S. Ramaiah, our Founder Chairman who was a renowned visionary, philanthropist, and a pioneer in creating several landmark infrastructure projects in India. Noticing the shortage of talented engineering professionals required to build a modern India, Dr. M. S. Ramaiah envisioned MSRIT as an institute of excellence imparting quality and affordable education.Under of Gokula Education Foundation MSRIT has grown over the years with significant contributions from various professionals in different capacities today, MSRIT stands tall as one of India's finest names in Engineering Education and has produced around 35,000 engineering professionals who occupy responsible positions across the globe.

Department of Computer Application

About us
>> The Department of Computer Applications was established in 1997 with the objective of producing high - quality professionals to meet the demands of the emerging field of Computer Applications. The department got academic autonomy in the year 2007 and is accredited by NBA. The department is recognized as a Research Center under Visvesvaraya Technological University in 2012.

Mission of the Department
• To enable the students to be knowledgeable and creative by through state of the - art curriculum and through innovative teaching methodologies.
• To provide training programs that bridges the gap between academia and industry to produce competitive software professionals.
• To inculcate ethical values in students enabling them to become socially committed professionals.
• To enhance the research quality and productivity by providing required facilities and industry collaboration.
